

The End of the Good Life: How the Financial Crisis Threatens a Lost Generation--and What We Can Do About it

By Riva Froymovich

HarperCollins Publishers Inc. Paperback. Book Condition: new. BRAND NEW, The End of the Good Life: How the Financial Crisis Threatens a Lost Generation--and What We Can Do About it, Riva Froymovich, Generation Y has been hit disproportionately hard by the financial crisis and subsequent Great Recession that is still rocking economies worldwide. Ushering in record levels of unemployment, significant debt, and the bleakest economic landscape in modern history, the Great Recession will have long-lasting social and economic effects - not only for those born between 1976 and 2000, but for their parents and children as well. Trapped by debt and joblessness, these young adults are postponing marriage, home-buying, and child-bearing. The American dream is moving farther and farther out of their reach. Drawing on extensive interviews with a wide range of these disheartened young adults, "The End of the Good Life" gives voice to those struggling in the new economy, both in America and around the world. A Brussels-based reporter with a global perspective, Riva Froymovich offers unique insight into how the ongoing recession in Europe should serve as a cautionary tale for our own country. She deftly analyzes major issues facing European countries-protest movements resulting from mass youth unemployment...

Reviews

This book is definitely worth acquiring. I have go through and so i am certain that i will likely to read through again again in the future. Its been printed in an exceptionally basic way in fact it is only after i finished reading this publication in which actually altered me, change the way in my opinion.

-- Andres Bashirian

Comprehensive guide for publication fanatics. This really is for all who statte there had not been a well worth reading through. I discovered this ebook from my dad and i encouraged this book to find out.

-- Lacy Goldner
