These manuals are arranged in three groups, namely, general, departmental, and parent-training. The general group includes vital teaching, storytelling, educational evangelism, expression through worship, handwork, community service, appreciation of the Bible, educational leadership, and kindred worth-while themes in the field of religious education. The departmental group covers courses for every department of the school of the church Cradle Roll, Beginners, Primary, Junior, etc. The parent-training manuals emphasize religion in the home and the necessity of training for the God-given, heaven-blessed privilege of parenthood. It is the aim of these manuals to popularize the assured results of the best psychology and pedagogy and to make them the willing and efficient servants of all workers in the school of the church.
