iUniverse, United States, 2009. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.A Take on TEGTE Jessica Rawlings is recognized as a definitive voice of the spiritual search and has a fresh, yet timeless view of the shared spiritual ideologies of all nations. She adds zip to revered philosophies and wants nothing more than to help you wrap your arms around your own spirituality. This wonderful Guide is a celebration of mankind's search for inner peace, a unique, transcendent system that embraces the age-old art of meditation. Yes, her Age of Enlightenopolis and spiritual global warming theories may be chimerical, but give her the benefit of the doubt. Where would this world be without intelligent, yet appealingly odd characters to keep the tabloids interesting? Keep an open mind as you learn about PowerStones, PowerStone Enlightenopolizers, and Share Cards, a sampling of her line of merchandize designed for those on the planet not afraid of experiencing wonder-you. I invite you to treat yourself to this distinctive and rewarding reading experience that blends spirituality and entertainment. Charles MacPhearson, The New York Times.
