This book deals with those mighty dynamic forces which in their combination constitute what we know as Will Power. Will Power is the most elemental and fundamental form of living Power. It constitutes the very kernel and heart of Life Power. More than this, many of the best philosophers hold that At the last, all Power is Will Power. This book explains in detail the fourth element of The Master Formula, 1, e., Persistent Determination, or how to persistently determine to obtain what you want. It teaches you how to cultivate Persistent Extermination, Tenacity of Purpose, Resolute Determination, Strong Defiant Purpose. It shows you how to attain and manifest that Settled Purpose which accomplishes its ends, and which nothing can resist. It points out the road to the attainment of that Will-to-Will, that Firm Decisive Spirit which clears the space around the individual and gives him room and freedom. It teaches the methods of the cultivation of that Invincible Determination—that Fixed Purpose—which distinguishes the great and powerful individual from the weak and insignificant. This book holds that you have a bountiful supply of Will Power lying latent and dormant within you, which may be developed and trained to a marvelous degree by the proper scientific methods. Then it proceeds to supply you with these methods, and instructs you in the art and science of applying them effectively.
