By Raiborn A. Cecily

South Western/Cengage Learning India, 2013. Softcover. Book Condition: New. 5th or later edition. Leading streamlined, student-friendly approach: Recognized for its unmatched readability, the book's thought-provoking writing keeps concepts intriguing and easy to comprehend. The solid blend of concepts and practices will help students clearly understand how to solve actual business problems. Updated illustrations and real-world examples appeal to today's students and clearly exemplify the chapters' concepts. These examples are integrated throughout the main body of the text in order to connect today's business world with the classroom experience immediately. New discussions of green accounting, where applicable, expose students to developing areas of accounting they may encounter in business. Developing ethical business leaders: The need for students to analyze business situations and make informed, ethical decisions is essential in today's business world. COST ACCOUNTING PRINCIPLES, 9E, International Edition weaves ethical considerations throughout the chapter so that students learn to think consistently of the ethical implications of their actions. Potential Ethical Issues at the end of the chapter emphasize dilemmas students may encounter in business, and exercises and problems involving ethical considerations are marked with an ethics icon. Comprehensive Review Modules: Comprehensive Review Modules for each chapter ensure students' mastery of concepts...
