It contains brief references to the exhibits in the departments of Anthropology, Botany, Geology and Zoology, the activities of the N. W. Harris Public School Extension, and the Library of the Institution. A list of contributors to the Museum, and a short account of the more important expeditions undertaken, are also given. The Museum is the property, by free gift, of the people of Chicago. It is the aim and ambition of the Trustees and Staff to maintain high standards of museum technique and efficiency, and to develop, still further, the educational influence of the institution. It is realized that a well conducted and equipped natural history museum is a people s university; a means of culture and recreation.
