Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.A committee chair serves as the leader of a committee, with responsibility for setting the course and direction of the panel for committee members and the House and for managing a large professional and paraprofessional staff. The senior committee staff should ensure the chair's goals are carried out effectively. Once a committee chair is selected during the postelection transition period, he or she, often in consultation with others, makes a series of decisions and takes a series of actions. Some actions complete a committee's duties in the Congress just ending, whereas other actions are taken in anticipation of the new Congress and then in the new Congress. Decisions may be related to the committee's policy calendar; the committee's administrative functions; the chair's responsibilities during committee sessions; the role of committee members; the relationship with the committee's ranking minority member, other chairs, and party leaders; subcommittee leaders; or other subjects. Many decisions are made with a deadline imposed by House rules. Specifically, a committee chair controls the selection of committee staff, authorizes expenditures from the committee budget, establishes operational and ethics policies, determines committee travel allocations, decides the content of the committee website, and is responsible for administration of the committee's rooms, paperwork, and other operations. Most committees entrust the drafting of the budget to the committee chair, although a committee's minority party members seek to ensure that they receive an appropriate allocation of resources. Before the chair introduces a funding resolution, the committee approves the chair's draft budget. The House requires its committees to adopt committee rules in an open session and to publish those rules in both the...
