Time Warner Trade Publishing. Paperback. Book Condition: new. BRAND NEW, Why Suffering?: Finding Meaning and Comfort When Life Doesn't Make Sense, Ravi Zacharias, Vince Vitale, Why would an all-good and all-powerful God create a world full of pain and suffering? In **WHY SUFFERING?** Ravi Zacharias and Vince Vitale carefully walk you through a variety of responses that considered cumulatively provide a clear, comprehensive, and convincing answer. Responses like: - The good in the world would be lost if we lost the possibility of the bad. - The creation of a world without suffering would have meant our probable nonexistence. - The cross is the key to a compelling and rational explanation for trust in God in the face of the worst kind of suffering. - In comparison with other world religions, the Christian response is distinctive. - A good creator can allow suffering if he also provides the sustaining power to stand against it. - Relational knowledge about God takes the argument beyond reason to the presence of God amidst suffering. - God's decision to allow temporal suffering makes sense in light of an eternal perspective. - Divine goodness shows how to conquer not in spite of, but even through suffering. Here is a book written with great respect for the complexity of the issue, recognizing that some who read it will be in the trenches of deep suffering themselves and others in a faith crisis about the very existence of a loving God. **WHY SUFFERING?** provides an answer to the problem of pain and suffering with emotional sensitivity and intellectual integrity.
