## The People V. the Democratic Party

By Michael Walsh

Encounter Books, USA. Paperback. Book Condition: new. BRAND NEW, The People V. the Democratic Party, Michael Walsh, Since the day Aaron Burr, the sitting vice president of the United States, shot and killed Alexander Hamilton, one of the Founding Fathers, the Democratic Party has been at war with America. With a history that includes murder, treason, slavery, segregation, sedition, bribery, and systemic vote theft, it can be argued that the Democrats are, at root, the anti-American party. In this incendiary Broadside -- a heartfelt *j'accuse* -- Michael Walsh traces the illicit and immoral history of the Democrats from Burr and the founding of the quintessential big-city political machine, Tammany Hall, to the "by any means necessary," Saul Alinsky-inspired presidency of Barack Obama and his Windy City cronies. The prosecutorial argument: The Democrats, in essence, are nothing less than a criminal organization masquerading as a political party.
