This is a compelling story about the authors journey through his American dream. His story covers the years 1979 to 1983, during which he successfully acquired a professional indoor soccer team franchise in the Major Indoor Soccer League (MISL), with no money down, and how he subsequently lost it. The author has a practical leveraging method, which when used, can be applied to buying or acquiring any business. He clearly and simply lays out those guidelines. This is a story of a working mans desire and how he figured out how to initially get a franchise funded with other peoples money (OPM). Guidelines to the steps to acquiring a sports franchise are laid out. The birth of the authors dream begins in 1979, while vacationing on the beautiful island of Virgin Gorda. In Chapter 1 we are exposed to his vision, which at this time is nothing more than a pipe dream. Guidelines to acquiring a franchise are laid out in Chapter 2. The game plan is developed and strategies unfurled. Once awarded the franchise, he must raise the funds to sustain the franchise and operational costs. In Chapter 3 he develops step by step instructions on how to legally structure the deal, to entice investors and to learn about funding. Chapters 4, 5, and 6 give us detailed insights about the inner workings of a sports franchise. How to organize! How to staff! How to market the dream! And, how to acquire players!
