Norton. 1 Cloth(s), 2011. hard. Book Condition: New. From the author of *Body of Lies* and *The Increment*, this espionage thriller is a tragedy of revenge, as the CIA falls victim to its own daring operation in the Middle East. Someone in Pakistan is killing the members of a new CIA unit that is trying to buy peace with America's enemies; it falls to Sophie Marx, a young officer with a big chip on her shoulder, to figure out who's doing the killing and why. She thinks she has the backing of her hard-nosed boss Jeffrey Gertz, and his mentor at headquarters Cyril Hoffman, as well as the lieutenant general heading Pakistan's Inter-Services Intelligence Directorate. But the closer Sophie gets to her quarry, the more she realizes that nothing in this hall of mirrors is what it seems." [David Ignatius] continues his series of top-notch CIA thrillers with this fast-paced new entry. Ignatius writes with authority and skill about a shadow world in which nothing is as it seems and money is power. This may be fiction, but in the end the reader will be struck by how feasible the story really is. A terrific, believable novel about the intersection of politics, ethics and finance. Kirkus Reviews (starred review) 372.
