It is surprising that many of them should still remain in a state not much impaired. Bologna is not only rich in Corregios , but may boast of fine specimens of Raphael, o.l.D0minichi1m, of the Carmces, and of other celebrated Masters. A curious fossil is obtained in the neighbourhood--a stone which by a particular process becomes9 phosphoric, and when exposed to the air, emits light in the dark; it will retain the.quality for a length of time. Saturday. Went in the morning to the Campo Sancto a la Chartreuse, about a mile and a half from the town. It is a cemetery almost equally interesting as Pere la Chaise at Paris, but very different in its arrangement, l: .eing artificial and methodical, instead of the pleasing simplicity and inattention...
