ZONDERVAN, United States, 2012. Paperback. Book Condition: New. 201 x 135 mm. Language: English . Brand New Book. Zondervan is known for its excellent resources in biblical languages, and many of our resources encourage professors, students, and pastors to continue to use their Hebrew and Greek Bibles beyond their seminary years. Devotions on the Greek New Testament continues on this path of excellence by introducing these devotions based on a careful reading and study of the Greek New Testament written by some of the top Greek scholars of today. Contributors include Scot McKnight, Daniel B. Wallace, Craig L. Blomberg, Mark Strauss, and William D. Mounce, among others. Devotions on the Greek New Testament can be used as weekly devotional or as a supplemental resource throughout a semester or sequence of courses. The main point each devotion offers comes from a careful reading of the passage in the Greek New Testament, not from the English Bible. These authors use a variety of exegetical approaches in their devotions: grammatical, lexical, rhetorical, sociohistorical, linguistic, etc. Each devotion closes with a practical application.
