Reviews

An exceptional publication as well as the font employed was exciting to see. It was actually written extremely flawlessly and helpful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Excerpt: . . . opinions, but to the observance of certain current uses (voioi), though Plato makes Sokrates take advantage of the secondary sense think in order to confuse Meletos (Apol. 26 c). at all, but that makes it all the more characteristic of the man. Sokrates treats the accusation with contempt, and even goes out of his way to import things into the case that were hardly of a nature to conciliate the judges. That does not prove the *Apology* to be pure fiction, as it has been supposed to do. 1 Far from it. 138. The actual conduct of the prosecution was entrusted to Meletos, who bungled it, according to Plato. By a skilful cross-examination Sokrates got him to admit that he believed him to be an out-and-out atheist, which was of course inconsistent with the indictment. In any case Sokrates did not stoop to defend himself against either the one charge or the other, though he showed himself more sensitive to the accusation of corrupting the youth, and offered to allow the fathers and elder brothers of his associates to give evidence on the point. He was found guilty, however, in spite of the failure of Meletos to make anything of the principal count in the indictment, which he does not seem to have understood himself. The majority was a considerable one, though Sokrates says he had expected it to be larger. He knew therefore that there was something else against him besides the trumpery...
