

Federal Reserve Is Not a Federal Agency: But a Private Bank

By Brett Salisbury, Dr Lawrence Cohen M D

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A myth that all Americans live with is the charade known as the Federal Reserve. It comes as a shock to many to discover that it is not an agency of the United States Government as you have just witnessed. Here is how it works in 2014. Fox News wouldn't tell you this (Well Glenn Beck did, and whether you like him (He also protected himself on many levels and lied so, I'm not a fan) or not he tried getting to it but what fired) The name Federal Reserve Bank was designed to deceive, and it still does. It is not federal, nor is it owned by the government. It is privately owned. It pays its own postage like any other corporation. Its employees are not in civil service. Its physical property is held under private deeds, and is subject to local taxation. Government property, as you know, is not. It is an engine that has created private wealth that is unimaginable, even to the most financially sophisticated. It has enabled an imperial elite to...
