[ ] They have cinematic scenes, they have a lot of dialogue, but often they don't have that narrative momentum a movie needs (Shulman, par. 12), said Bret Easton Ellis, the author of the novel American Psycho, in an interview about movie adaptations of his books. Ellis wrote a total of seven novels and became one of the most famous authors of postmodern American literature. His third novel American Psycho was published in 1991 and turned into a movie in 2000 by Mary Harron. Yet, the missing narrative momentum Ellis mentioned was not Harron's only problem while adapting the novel. When American Psycho was published in 1991, it was not well received. Because of its extremely graphic scenes of violence and pornography the novel caused a chorus of outrage among critics. Female activist groups complained that it was a how-to novel on the torture and dismemberment of women (McDowell, par. 1). Ellis even received death threats and had to face furious outcries from women. Ellis was surprised that the novel provoked such reactions because he intended the novel to be a black comedy and a critique of the capitalist society in New York City in the 1980s. His intention was to decry the greed, envy and the urge for conformity present at Wall Street at that time. However, the satiric elements of his novel were almost completely overshadowed by the violent and pornographic passages which led many people to misinterpret the novel...
