

## International Migration: A Very Short Introduction (2nd Revised edition)

By Khalid Koser

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, International Migration: A Very Short Introduction (2nd Revised edition), Khalid Koser, In recent years, global migration has transformed in terms of its numbers and reach, its political significance, and its impact. The rising rates of international migration have been matched by growing public and media interest around the world. Today, the political and media attention on migration and greater public interest and concern feed into an international debate that is all too often poorly informed and one-sided. This Very Short Introduction looks at the phenomenon of international human migration - both legal and illegal - and offers an objective stance on the topic, and its benefits and challenges. Khalid Koser reveals the opportunities migration presents that must be taken advantage of in the current economic climate, and debunks common myths to demonstrate that society, as we now know it, cannot function without migrants. Using interviews with migrants from around the world, Koser presents the human side of issues such as asylum, human trafficking, migrant smuggling, and the international labour force, inviting readers to come to their own conclusions on the international migration situation today.

### Reviews

*This book is definitely worth acquiring. I have go through and so i am certain that i will likely to read through again again in the future. Its been printed in an exceptionally basic way in fact it is only after i finished reading this publication in which actually altered me, change the way in my opinion.*

-- Andres Bashirian

*Comprehensive guide for publication fanatics. This really is for all who statte there had not been a well worth reading through. I discovered this ebook from my dad and i encouraged this book to find out.*

-- Lacy Goldner
