Xulon Press, United States, 2013. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.The biggest enemy in your life is not Satan but is the spirit that hinders you not to pray. The devil knows that when you begin to pray things will start to happen and he will be defeated. Satan knows that, the more you pray, the more he is pressed down, no wonder he has blinded the eyes of some believers not to see the power in prayer, no wonder he has made some churches to talk about prayer without praying. When God created the heaven and the earth, He said it was good but people who are bound by the shackles of poverty, suffering from one dilemma to another would not agree that the things and the world that God created is good. Frankly they will not agree because they see people get miracle but is not reaching them, they hear people been delivered but their situation still remain the same. The favour of God is not only available but it is also obtainable, it is obtainable via prayer and not just any kind of prayer, I am talking about prayer that shakes the devil and make things to work (Prayer that Works). The book you re holding in your hand will offer you a deep insight of what God can do through prayers; it would destroy unbelief and instil momentum to pray. This book is not a short cut into petition or neither does it seek to pamper and console you from all the defeat you have gotten from the devil as a result of not praying or not praying effectively. The hour has come and its now for you to retrieve everything the devil...
