

# Laughter

By Éric Smadja

College Publications, United Kingdom, 2013. Paperback. Book Condition: New. 232 x 156 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The discourse about laughter that has now become traditional, seems to summon to mind three principal characteristics of laughter: its specifically human nature; its structural relationship to the joy and pleasure procured by what is laughable; its automatic, reflexive aspect. Furthermore, numerous scholars have expressed ideas, certain ones of which have been structured into explanatory theories claiming general applicability. These two types of discourse seem unsatisfactory to me. The first one seems to obscure two fundamental aspects of laughter: its historicity and the complexity of its determinism. By atomizing its object, the second one, being merely analytic, offers a reductionist vision having little heuristic value. I think that laughter, like all human behavior, referring to the human complexity, must be the object of a multidisciplinary approach involving biological, psychological and socio-cultural considerations. So, it requires turning to the conceptual set of tools and the unique methods of the following disciplines: ethology, medicine, cognitive psychology, psychoanalysis, sociology and anthropology. And the idea of communication could well be the unifying concept. Eric Smadja is a psychiatrist, a psychoanalyst, a...

## Reviews

*This book is definitely worth acquiring. I have gone through and so I am certain that I will likely to read through again again in the future. It's been printed in an exceptionally basic way in fact it is only after I finished reading this publication in which actually altered me, change the way in my opinion.*

-- Andres Bashirian

*Comprehensive guide for publication fanatics. This really is for all who state there had not been a well worth reading through. I discovered this ebook from my dad and I encouraged this book to find out.*

-- Lacy Goldner
