Flame Tree Publishing, United Kingdom, 2004. Paperback. Book Condition: New. 212 x 138 mm. Language: English . Brand New Book. This book is a must for every lover of plants and green spaces either living in or visiting London. It has a month-by-month section highlighting what's in season and where best to see it, followed by an A-Z listing giving comprehensive details of each garden with information on public transport and disability access. From snowdrop glades to tropical conservatories, from roof gardens to houseboats, from cemeteries to parkland, Lorna Parker's labour of love presents both the city's famous floral gems - such as Kew, Chiswick Gardens and Regent's Park - and its quirkier havens of horticultural interest.
