Excerpt from The Out-and-Outer War is the antithesis of Socialism. It destroys human life and denies the unity of humanity. To participate in war would be outrage my conscientious and most deeply held convictions. I cannot do it. Yet another might deny that the simile of the criminal is a just analogy of the European situation. He might argue that Militarism in Germany grew and flourished upon the fear of the ever-growing Russian Militarism and French Militarism, allied as these were to British Navalism against her; and he might quote many instances of how just those fears seemed before the war. He might tell how Britain had supported France in her aggressions in Morocco, and how the treaty of Algeciras became with our consent a scrap of paper; he might recall the like fate of treaties in Persia, where Russia and Britain took what was not theirs, and he might say, if one wants an analogy from nations to individuals, that the truest picture is not that of a criminal attacking the innocent, but of several business...
