Silver Lake Publishing, United States, 2015. Paperback. Book Condition: New. 196 x 117 mm. Language: English . Brand New Book. Loan modification. If you don t know this term, you will soon. The bank bailouts and economic stimulus measures of the late 2000s have created a financial environment in which all kinds of contracts are negotiable.and renegotiable. This may seem like a chaotic free-for-all. But it s not. In order to take advantage of the opportunity to improve your situation, you need to know the rules. This book gives you those rules. Each part of the financial sector (home loans, car loans, student loans, etc.) has its own standards, priorities and procedures. If you know these, you can speak the language of today s deal. Of the cramdown.The Silver Lake Editors have been writing about risk and personal finance issues for more than a decade. Their other books include: Scams ú, Swindles and the national bestseller Identity Theft. These books are designed to give careful consumers the tools they need to make smart decisions about their lives.The federal government has set up several programs to help homeowners modify their mortgages for better terms and lower rates. In order to qualify for these deals, you have to unqualify yourself from your present loan without disqualifying yourself from the new one. This isn t hard.if you know what to say.Credit card companies, auto finance firms and student loan servicers are all adopting modification programs of their own. If you learn the jargon and strategies for each (all in this book), you can improve your financial situation dramatically.In some cases, you may need to hire legal or financial help to renegotiate your debts. This book can help in that, too. You ll know the questions to ask- and how to make sure your...
