

Account Rendered: A Compendium of Extraordinary Rendition and Britain s Role (Hardback)

Filesize: 1.52 MB

Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

ACCOUNT RENDERED: A COMPENDIUM OF EXTRAORDINARY RENDITION AND BRITAIN S ROLE (HARDBACK)

[DOWNLOAD](#)

Biteback Publishing, United Kingdom, 2011. Hardback. Book Condition: New. New.. 234 x 158 mm. Language: English . Brand New Book. In its struggle against international terrorism following 9/11, the United States developed rendition - the international transfer of an individual without customary due processes - as an instrument of policy. Rendition became associated with the use of coercive interrogation techniques - techniques often crossing the threshold of torture, in violation of international standards to which successive American administrations committed themselves. To a degree yet to be fully established, Britain was implicated in that policy. Whatever its alleged benefits, rendition s cost is clear - not simply in terms of the human impact of the abuses, but also in terms of the huge damage done to the moral authority of the West. By creating a powerful image of injustice, rendition gives Islamist radicals a recruiting and propaganda tool. Moreover, the policy is a severe setback to efforts to enhance shared international standards in humanitarian and human rights laws. The All-Party Parliamentary Group on Extraordinary Rendition was founded in December 2005, following the emergence of allegations that the United States had been operating a programme of ghost flights and black sites . In the five years since then the Group has contributed to public knowledge and awareness of the debate surrounding rendition and Britain s involvement in it.
