Faith And Philosophy of Christianity

By Maya George

2009. Hardcover. Book Condition: New. 354 This concise volume on Christianity presents its history and theology and explores the essentials of the Christian faith. It presents the life and teachings of Jesus, gospels, sacred books and doctrines common to all Christians. It clarifies concepts such as the trinity, eternal soul, heaven and hell, and Christian sacraments. It also gives a detailed account of how Christian faith developed over the centuries and the development of different major branches. This volume, unique in its presentation, is an authentic and exhaustive work bound to fill a big vacuum in Christianity studies. This volume would be able to satisfy the need of all those who desire to know about Christianity. About The Author:- Maya George was born in 1968; she completed her post graduation in Christian Studies from University of Madras. A good academician, she is presently engaged in research work on "Christianity in the context of the history of India and its religious, social and cultural heritage." She has also done research on "Philosophical Traditions of India." She has also functioned as a senior educator on different topics of Christianity in various reputable educational institutes. Contents:- Contents, Preface ix, 1. Christianity: An Introduction...
