They are like weeds in a garden, sucking up the nourishment that should go to feed more useful plants. They are like wolves among sheep, carrying off the choicest specimens only to destroy them. They are like thieves among honest people, robbing them of their earnings, and leaving them in poverty. It is time the trio were attacked, uprooted, and routed. Civilization should not tolerate them any more than it does the wild beasts that would carry off our children. We should fight against them as we do against vermin and contagious diseases.
