

## Key Elements of Observing Practice: A Data Wise DVD and Facilitator's Guide, 2014 Edition (Mixed media product)

By -

Harvard Educational Publishing Group, United States, 2014.

Mixed media product. Book Condition: New. 287 x 218 mm.

Language: English . Brand New Book. Based on Data Wise and Data Wise in Action, Key Elements of Observing Practice offers insight into one of the most challenging steps in capturing data about school performance: observing and analyzing instructional practice. A central premise of the Data Wise approach is that teams of educators must have a good understanding of what instruction looks like in order to improve it. The most direct approach to developing this collective knowledge is to have teachers observe one another's practice. However, many schools do not have a collegial culture in which examining instruction feels supportive rather than threatening, and most teachers do not have the skills to describe teaching in a fine-grained, evidence-based way. This DVD and Facilitator's Guide provide school leaders with a set of tools for developing teachers' capacity to learn from their own practice. The DVD features a 20-minute film that follows members of one school team as they apply the five key elements of observing instruction. It also contains five sections that offer viewers a closer look at each element. Brief videos...

### Reviews

*An exceptional pdf and also the typeface applied was intriguing to read through. It is definitely simplified but excitement in the 50 % in the ebook. I discovered this ebook from my dad and i recommended this pdf to find out.*

-- Jarod Ward

*Complete information for publication enthusiasts. It is really basic but shocks inside the fifty percent of your book. I am just delighted to let you know that this is basically the finest book i have read through in my individual lifestyle and might be he best pdf for actually.*
