All things else on earth owe allegiance to it. Analytical reason is the supreme attribute of the human mind and to it man owes his present environment Were it not for this faculty there would he no telescope, no railroads, no boats, no telegraph, no telephone, no machinery - there would be no inventions, no progress, whatever. Long ages ago man realized that every Cause produced a responding Effect and that every Effect indicated a corresponding Cause. From these fundamental principles is builded the wonderful science of mathematics which teaches us how to take a Cause and mathematically (exactly) deduce the Effect, or to take an Effect and arrive at the Cause. All things and all conditions are the Effect of a Cause and are therefore natural, and whatever is natural is possible. We are looking for men and women who have developed this logical reasoning faculty somewhat (the greater the development, the better);...
