

Seventyseven Clocks: (Bryant & May Book 3)

Filesize: 2.63 MB

Reviews

This publication is definitely not simple to begin on studying but really exciting to read. It is actually rally fascinating throgh reading time. Your life span will be enhance when you complete looking at this publication.

(Laurence Littel)

SEVENTYSEVEN CLOCKS: (BRYANT & MAY BOOK 3)

Transworld Publishers Ltd. Paperback. Book Condition: new. BRAND NEW, Seventyseven Clocks: (Bryant & May Book 3), Christopher Fowler, 'The newspapers referred to it as the case of the seventy-seven clocks. There was quite a fuss at the time. We got into terrible trouble. Dear fellow, it was one of our most truly peculiar cases. I remember as if it was yesterday.' In fact, Arthur Bryant remembers very little about yesterday, but he does remember the oddest investigation of his career. It was late in 1973. As strikes and blackouts ravaged the country during Edward Heath's 'Winter of Discontent', sundry members of a wealthy, aristocratic family were being disposed of in a variety of grotesque ways - by reptile, by bomb, by haircut. As the hours of daylight diminish towards Christmas, Bryant and May, the irascible detectives of London's controversial Peculiar Crimes Unit, know that time is the key - and time is running out for both the family and the police. Their investigations lead them into a hidden world of class conflict, craftsmanship and the secret loyalties of big business. But what have seventy seven ticking clocks to do with it? Now, the full story can at last be revealed, in this most eerie of adventures that features Arthur Bryant at his rudest, John May at his most exasperated and a gallery of colourful, bizarre characters who could only make their home in a city like London.
