Reviews

*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be the best ebook for possibly.

This is a MUST READ book for everyone who is NEW to Gold and Silver Investing. The book is primarily written for people who are new or somewhat new to precious metals investing and want to learn the basics of how the industry works and how to make smarter and more informed buying decisions. You will discover the very best way to buy physical gold silver without getting ripped off. In this entertaining book I reveal 14 industry secrets that will give YOU the upper hand when dealing with gold and silver brokers and dealers. Now you can understand how they play the game, and make sure you win every time. This book gets right to the point. There's no fluff. It's written for the beginner to intermediate experienced precious metals investor and is packed with real-market information that you can put into place immediately. If you only get one idea from this book, it could save you thousands on your gold silver purchases. When you are armed with this information, YOU will have the power when buying precious metals, not your broker. You will discover: -- How the broker system works and how the game is played. -- Why price is so important. Don't allow yourself to be fooled. -- How to decide in advance what you want to buy and don't allow yourself to be sold. -- How to spot all of the hidden fees and avoid them. -- Promotions and gimmicks, how to spot them and how to avoid getting ripped off by them. -- Is it better to buy gold, or is silver a better investment? -- What to look...
