

A Manual of Diseases of the Stomach (Classic Reprint)

By William MacLennan

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from A Manual of Diseases of the Stomach I have often been asked by my old students to put into book form what I have tried to teach at the bedside and in the clinical laboratory of the diagnosis and treatment of Diseases of the Stomach that I have attempted in this volume to meet their desire by writing a short practical manual, which I trust the practitioner will find a useful introduction to the study of gastric diseases. It requires, perhaps, some courage to write a new book on this subject, for so considerable a number have recently been published that it seems superfluous to add to the list. But, for the most part, recent works on the diseases of stomach have either been large and chiefly adapted for the specialist or they have been too incomplete and theoretic to be very useful to the medical practitioner. This work aims at the middle course of being suitable for the student and practitioner, and it has at least the merit of being based almost entirely on...
