Staying in Vermont on the family farm wasn't what Julie Hemmingway, a 22-year-old nursing school graduate, had envisioned for her life. After all, she had just spent four years at school in preparation to join a mission agency to use her nursing skills overseas. However, those exciting plans quickly change to sorrow when her father suffers a massive heart attack and dies. Out of necessity, she stays home to help her mom manage the farm. Julie accepts a new job at a construction company, where life continues to throw her many curves. She meets Adam, a handsome man that she's not so sure about, her boss who it turns out isn't who she thinks he is, her job becomes threatened, and the future that once seemed so bright is now an ugly, murky gray. Will Julie learn that she can trust in God and His seemingly Hidden Paths for her when everything seems to be going amiss?.
